Shell That Was Dug Up on the
Battlefield—The Party Attends

Brandy Station, Va., Nov. 2.—President Roosevelt passed several hours this afternoon on the battlefield of Cedar Mountain. Accompanied by Secretary Root, Secretary Cortelyou and Dr. Hixey, the president drove to the site of the sanguinary struggle and there received from an eye witness and participant an account of the fighting. It was the most interesting event thus far of his present trip. The day was perfect and the drive to the battlefield was as pleasurable as could be desired.

The president, accompanied by Secretary Root, Dr. Hixey, Judge D. A. Grimley and two other ladies, arrived at the battlefield shortly before 3 o'clock. They were followed by a procession of carriages containing people from Culpeper and surrounding country.

The president drove to the battlefield over the road which years ago was the stage route between New York and New Orleans. On arrival at the battlefield, which is dotted here and there by monuments marking the positions of the troops during the fight, the context was explained to the president by Judge Grimley, who now is a member of the bench of this judicial circuit. In the very heart of the battlefield, President Roosevelt greeted many people who had gathered after Judge Grimley had described the battle the president received informally those who had assembled on the field. Subsequently, the president was given a shell which had been dug up on the battlefield, as a memento of his visit.

Religious Services.
This morning the president and his party attended religious services at the Baptist church of Culpeper, about five miles from the home of Representative Hixey. Until a short time before the services began, it was not known that the president was to be present. No special services marked his presence. The Rev. E. W. Winfrey, pastor of the church, one of the oldest religious organizations in Virginia, made a touching reference to the president in his opening prayer, but did not allude to him in his sermon. The church was crowded and at the conclusion of the services President Roosevelt cordially greeted the pastor and many members of the congregation and introduced them to those who accompanied him.

Subsequently the party took luncheon at the residence of S. Russell Smith, brother-in-law of Dr. Hixey, who is treasurer of the county of Culpeper. Tonight the president is again the guest of Representative John F. Hixey at his home near this village.

The president's special train will arrive in Washington tomorrow morning at 11:35. Half an hour later the president will leave Washington for Ogden, Utah, where he will vote on Tuesday.

HENDERSON DENIES RUMORS.

Nails Democratic Campaign Yarns
with Vigorous Letter.

By Exclusive Wire from The Associated Press.

Chicago, Ill., Nov. 2.—"I think it would be the worst political calamity to come before the nation than the fact that Judge Birdsell in the Third Iowa district, defeated in next Tuesday's election." This statement was made by David B. Henderson, speaker of the house of representatives, who arrived at Chicago today from the east and learned that statements had been published, claiming that he was opposed to the election of Judge Birdsell. Continuing, Speaker Henderson said: "There is absolutely no foundation for such a story. Did not the delegation, who nominated me last summer nominate my successor when I resigned? These delegations were all my friends and are friends of Judge Birdsell. When Judge Birdsell was nominated in my place, I appealed to all my friends to do everything in their power to elect him. They took me at my word and have worked just as hard for Judge Birdsell as they would have worked for me had I remained in the race. In order to let the voters of Iowa know the truth in the matter, I have sent a telegram to a newspaper in Dubuque which truthfully states my position in the matter."

The speaker's telegram follows: Just learned that claims are made by Democratic journals that I am opposed to election of Judge Birdsell. This is false, absolutely false, and is not only unjust to Judge Birdsell, but still more so to me and to my home and to my friends. Judge Birdsell's candidacy has ever been true to me in its intentions and at the polls. I appeal to all friends in every county to do all in their power for his election and to vote for him, which I am coming home to vote for. It is for the interest of the district, the state and the nation that he be elected.

(Signed) David B. Henderson.

DETECTIVES DISMISSED.

One of the Posse That Captured the
Biddle Is Declared Incompetent.

By Exclusive Wire from The Associated Press.

Pittsburg, Nov. 2.—Detectives William Bradley, Harry Jones, Thomas Malley, Charles McGowan, William Elroy and William Short were today dismissed from the local force by order of Recorder J. O. Brown.

Some days ago Superintendent of the Bureau of Detectives Dummel was quoted as saying he was better hampered in his department by not being allowed to select his own men. Recorder Brown demanded a written statement from Dummel as to the capability of each man composing his force. Dummel in his report accused the above named as being incompetent and Recorder Brown immediately ordered their dismissal. McGowan took an active part in the capture of the Biddle brothers, who escaped from the county jail some months ago.

LOUBET COMPARED WITH ROOSEVELT

La Patrie Commends America's Chief
Magistrate in Arranging a Settlement
of Coal Strike.

By Exclusive Wire from The Associated Press.

Paris, Nov. 2.—In an article headed "Two Presidents," La Patrie tonight compares President Roosevelt with President Loubet. Referring to the French and American coal strikes, the paper says, the energetic measures adopted by President Roosevelt brought the American strike to an end and declares that President Loubet was confronted by conditions exactly the same as those Mr. Roosevelt dealt with, but that the president of France remained passive with the result that the French strike continues amid great misery and loss.

The paper draws the conclusion that the American president, who is elected by the people, represents the people, whereas the president of France awaits the slow process of parliament, and that the French people suffer from the reign of parliamentarism.

RAILROAD MEN IN CONVENTION

About 2,800 Members of the Four
Railway Organizations in Ses-
sion at Springfield.

By Exclusive Wire from The Associated Press.

Springfield, Mass., Nov. 2.—About 2,800 members of the four railway organizations—the Brotherhood of Engineers, Conductors, Firemen and Trainmen—gathered in convention in this city today from points as far west as Buffalo, as far north as Montreal, as far south as Jersey City and as far east as the coast. The attendance was somewhat smaller than had been anticipated, but there was, nevertheless, considerable enthusiasm. Little was accomplished of a definite character, the meeting having been called mainly to bring the four organizations into a closer working relationship.

There was keen disappointment that Grand Chief P. M. Arthur, of the Brotherhood of Locomotive Engineers, and Grand Chief Conductor E. E. Clark, of the Brotherhood of Railroad Conductors, were unable to be present, as they were to have given addresses at the mass meeting in Court Square theatre today. The list of speakers at this meeting included Charles E. Williams, senior chief conductor of the Order of Railway Conductors; Val Fitzpatrick, third vice-grand master of the Brotherhood of Railroad Trainmen; Colonel John J. McCook, chairman of the railroad department of the International Young Men's Christian association, and Lawyer James B. Carroll, of this city. Secret meetings were held in the morning and afternoon by the organizations, but no matters of vital consequence were considered.

DUFFY MEETS WARRINER.

A Consultation Is Held Regarding
Discharge of Non-Union Men.

By Exclusive Wire from The Associated Press.

Wilkes-Barre, Nov. 2.—T. J. Duffy, district president of the United Mine Workers for the Lehigh district, left for Hazleton this evening and will accompany the investigation commission on their tour of the Lehigh region. Mr. Duffy had a conference with General Superintendent Warriner, of the Lehigh Valley Coal company, relative to the alleged dismissal of some union miners from the collieries of the company in the Lehigh region. Neither party to the conference would give out anything for publication.

The trouble at the mines of the Kingston Coal company remains unsettled. A committee of United Mine Workers waited on General Superintendent Williams and tried to have him give his consent to allow the checkweighman employed by the miners to remain on the company's property. Mr. Williams said he would make reply in a day or two.

ALL SOULS' DAY IN VIENNA.

Thousands Make Pilgrimages to the
Cemetery and Decorate Tombs.

By Exclusive Wire from The Associated Press.

Vienna, Nov. 2.—One-third of the population of Vienna made pilgrimages yesterday and today, All Souls' day and All Saints' day, respectively, to the Central cemetery of Vienna. The pilgrims started in the early morning and returned late at night. Some went on foot, while others used vehicles of all descriptions. It is estimated that 500,000 persons visited the graves in the cemetery on these two days. The pilgrims all carried wreaths or flowers, and before the tombs and in the long grass burned countless candles. The sparsely occupied parts of the cemetery presented a weird and picturesque spectacle.

The monuments to Mozart, Beethoven and Schubert, as well as the plot where are buried the six hundred victims of the Ring theatre fire of 1881, attracted thousands of visitors. This cemetery is the largest in Europe and contains 622,000 graves.

Emperor Francis Joseph and other members of the royal family placed wreaths upon the coffins of the emperor and of Crown Prince Rudolph, in the vaults of the Capuchin church.

PRESIDENT KEENLY INTERESTED IN PENNSYLVANIA CAMPAIGN

Washington, D. C., Nov. 1.—The following statement has been issued at the white house:

"In answer to inquiries this afternoon regarding the pending campaign, Secretary Cortelyou said:

"The president is watching with the keenest interest and the most earnest desire for Republican success, the various congressional canvasses and the state canvasses in states like New York and Pennsylvania, where governors are to be elected."

ENGLAND AND TURKEY ARRANGE DIFFERENCES

The Porte Has Modified Its Note to
Great Britain and Ordered Evacuation of Hinterland.

By Exclusive Wire from The Associated Press.

Constantinople, Nov. 2.—The negotiations between Great Britain and Turkey with regard to the encroachments of Turkish troops on the Hinterland of Aden, have resulted in a satisfactory settlement of the matter. The porte has modified its note to Great Britain and has ordered the evacuation of the Hinterland, which was formerly occupied by British troops.

The trouble from which the Turkish invasion of the Aden Hinterland arose was a frontier dispute, the settlement of which was placed in the hands of a joint Turkish-British commission.

It was announced from Constantinople, October 28, that the British ambassador to Turkey, Sir N. H. O'Connor, had protested to the porte against the Turkish invasion of the territory in question, declaring that unless these Turkish soldiers were withdrawn, Indian troops would be sent to expel them.

DYNAMITE FIEND.

An Assassin Wrecks a Chicago
House, Killing Two Persons and
Injuring Several Others.

By Exclusive Wire from The Associated Press.

Chicago, Nov. 2.—A dynamite bomb, the weapon of a deranged assassin, blew up the home of Joseph Kordeck in Chicago Heights today, killing two members of the family outright and injuring several others. The house was set on fire and burned, while that of a neighbor caught fire and was also destroyed.

The dead:
JOSEPH KORDECK.
LUCY KORDECK, aged 2 years.
The injured:
Mrs. Lucy Kordeck, injured internally; may die.
Seven children who escaped were injured, but not seriously.

The bomb was placed under the room occupied by the parents and the impact of the explosion tore a hole in the floor, blew the bed to pieces, dismembered Kordeck and scattered into fragments the body of Lucy, who was sleeping with her parents. A piece of flesh was torn from Mrs. Kordeck's side, and she was blown through a window.

Charles Smith, a former boarder at the Kordeck house, who was paying attention to one of Kordeck's daughters, has been arrested charged with the crime. The Kordeck girl was to have been married to another man next week. Smith declares he is innocent, but neighbors declare that he made threats to them that if the girl refused to be his wife he would blow up the entire family with dynamite. Smith was absent from his room at the time of the explosion. His room mate, Thomas Koginski, claims that Smith returned to his room greatly excited shortly after the explosion.

LADRONES ON THE WARPATH.

Bloodthirsty Gang Operating on the
Island of Biliran.

By Exclusive Wire from The Associated Press.

Manila, Nov. 2.—A portion of a gang of ladrones which has been operating on the island of Biliran (just north of the island of Leyte), where they committed various outrages, crossed over to the island of Leyte last Wednesday and entered a small town near Caraga. Here they captured and beheaded the president of the town, murdered his wife, whom they slashed with bolos and abducted the president's children. The motive of this crime is said to have been the president's friendliness with the Americans. Ladrones are again active in the provinces of Rizal and Bulacan, Luzon. Members of the native constabulary engaged these bandits twice during the past week at points close to Manila and succeeded in killing a number of them. The constabulary are capable of suppressing these ladrones.

Reports received here indicate that the situation on the island of Samar is better than has been recently reported. A number of Dios, or religious fanatics, are still operating there, but officials report that the Samar police are able to handle the situation.

ANOTHER OLD FORGE

SHOOTING AFFRAY

Emedio Antonio Shot and Perhaps
Fatally Injured Last Night by
Joseph Sabetino.

By Exclusive Wire from The Associated Press.

Emedio Antonio was shot and dangerously wounded in Old Forge last night by Joseph Sabetino, who was later arrested and who is now lodged in the county jail.

The two men had been drinking in James Bell's saloon on Bray street during the afternoon and shortly after 8 o'clock last night became engaged in a quarrel in the street in front of the place.

According to Sabetino's story, Antonio pulled a stiletto about a foot long and made for him. In self-defense, he drew his revolver and fired at Antonio. The bullet entered the latter's left side between the fourth and fifth ribs and he fell unconscious.
